C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

The PHA does not have any specific plans to deviate from the original 5- year plan. The order in which work was to be completed has changes somewhat to accommodate for the funds being spent in a more composed manner.

If such an occurrence would arise as to the need for emergency work, residents will be notified of any changes and approval will be sought from the HUD office.

B. Significant Amendment or Modification to the Annual Plan:

The only modifications to the Annual Plan is to remodel 66 units in the family housing complex as follows:

All bathroom and kitchen plumbing and fixtures replaced (New tubs, sinks, toilets, water lines) new flooring, floor coverings, new kitchen cabinets, countertops and storage closets.

The kitchens in the family housing complex were scheduled for remodel in 2002 and the funding received in 2000 & 2001 should be enough to cover all expenses.

By completing the remodel of kitchens and bathrooms at the same time, the housing authority hopes to save money and time.

The funding for 2002 will be used to fix up the Elderly Housing Complex. (New carpet, paint, tile, etc.) This was originally scheduled to take place with the 2001 funding and has been moved back one year to accommodate the remodel of the family units.

**BRIEF STATEMENT OF PROGRESS
NEVADA HOUSING AUTHORITY**

The Housing Authority of the City of Nevada, MO is required to submit a brief statement of its progress in meeting the missions and goals as outlined in the 5-year plan.

A “Pet Policy” was implemented and is now in effect for both housing complexes under its jurisdiction. (Chapman Estates and Fairground Estates)

The “Community Service” policy is now in place and has commenced effective January 1, 2001. The Quality Housing and Work Responsibility Act (QHWRA) states that “Each Adult Resident”, whom is not considered exempt per section 512 of the QHWRA, shall contribute 8 hours of community service each and every month or participate in a self-sufficiency program for at least 8 hours each month, for the duration of time that they reside in public housing.

Persons Exempt: would include but are not limited to the following: Elderly, Near Elderly (50 and above), Handicapped or Disabled persons receiving Social Security Disability, and any adult who has a job or is a full-time student, or has a child under the age of 1.

Our Mission remains the same. To promote decent, adequate affordable housing, economic opportunity, and a suitable living environment free from discrimination.

Our Goals to reduce vacancies in Public Housing and to improve our PHAS score, is to improve the turn around time for readying units to rent and decrease the time in which it takes to lease up a vacant unit, through improved customer satisfaction.

The PHA has implemented the Goal of improving Public Housing Security, by hiring “Global Security Solutions” to patrol the grounds at both the elderly housing and family housing complexes. The Security Company has been patrolling the grounds since May 1, 2001. Since that time, several of the residents have verbalized their appreciation for making them feel that they reside in a secure environment.

The PHA encourages all residents to participate in self-sufficiency, by encouraging participation in the “Futures Program” and through continued education or employment.

We will continue with our goals and objectives to apply our limited resources in an efficient and productive manner that contributes to a quality community and long-term viability. Maintain program fiscal integrity through oversight and intervention by result-oriented personnel. Seek problem solving partnerships, with residents, community and local government, and to ultimately recognize our residents as our ultimate customers.
